

It's always easier with an expert along.

“Our expert credit card processing can save the average Virginia retailer more than \$1,500 a year.”

Laurie Peterson Aldrich
President,
Virginia Retail Merchants Association

An analysis of Virginia Retail Merchants Association/ Retailers Processing Network's most recent 25 proposals to Virginia retailers shows:

\$1,516 annual savings per merchant—an 11.5-percent savings on their current credit card processing fees.

No hassles,
no hidden fees,
and the best
credit card processing
support system available.
